CENTRAL INTELLIGENCE AGENCY

OFFICE OF THE DEPUTY DIRECTOR

1 December 1982

NOTE FOR: Director, ICS

FROM : EA/DDCI

John believes that an NIO, whose primary responsibilities are in the production area, should not be in the tasking business. He originally suggested that [redacted] send the attached [redacted] for coordination, thinking that [redacted] would decline to do so. John believes tasking is the purview of the focus mechanism, DDO and State, not an NIO. If your staff does not suggest that the attached is inappropriate, he will.

thanx
